<div style="text-align: center;">Permit Conditions</div> <div><input type="checkbox"/> A swimming pool must be surrounded by a 4'-0" high fence. The maximum distance between the grade and bottom of the fence is 2". The fence shall have no openings larger than 4". However, if the horizontal fence members are less than 45" apart, the horizontal members should be located on the pool side with no openings larger than 1 3/4". All gates shall open outward and be self-closing and self-latching with latches placed 4'-6" above grade. Maximum mesh size for chain link fences is 1 1/4". Maximum openings for a lattice fence is 1 3/4".</div> <div><input type="checkbox"/> Before the pool can be used, a Certificate of Occupancy and/or final approval must be obtained from this office.</div> <div><input type="checkbox"/> All electrical work must meet the National Electrical Code and be permitted and performed by a licensed electrical contractor. An electrical inspector must make a rough-in and final electrical inspection.</div> <div><input type="checkbox"/> Public swimming pools shall comply with all code requirements of the 2007 Kentucky Building Code.</div>
